All proposal requirements shall be in accordance with Specifications and Requirements Pages SOW 1-14 and attached hereto.

ARTICLE 2 OPENING LOCATION & TIME

Names of vendors submitting proposals shall be read out loud at 11:00 A.M., Wednesday, March 20, 2013 at the City of Marietta Purchasing Department, First Floor, 205 Lawrence Street, Marietta, Georgia 30060. A public opening of proposals will not occur at the date and time indicated above. Proposals received will be officially recorded, and this recordation will be made available to the public. All proposals received will be turned over to the evaluation committee for opening, review, deliberation, and recommendation. Negotiations will be conducted in accordance with the procedures described in this solicitation.

ARTICLE 3 PRE-PROPOSAL CONFERENCE

There shall be a Mandatory Pre-Proposal Conference to be held Wednesday, February 20, 2013 at 1:30 P.M., located at Marietta Power and Water, Lobby level, 1st Floor, 675 N. Marietta Parkway, Marietta, GA 30060. The purpose of the conference is to review the specifications and familiarize the bidder with the site and scope of the work. This is a Mandatory Pre-Bid Conference and only registered attendee's bids will be accepted.

ARTICLE 4 DELIVERY REQUIREMENTS

Any proposals received after the stated time and date shall not be considered. The time/date stamp clock located in the Purchasing Department shall serve as the official authority to determine lateness of any proposal. It shall be the sole responsibility of the proposer to have their proposal delivered to the City of Marietta Purchasing Department for receipt on or before the above stated time and date. If a proposal is sent by the U.S. Postal Service, the proposer shall be responsible for its timely delivery to the Purchasing Department. Proposals delayed by the mail shall not be opened at the public opening, and arrangements shall be made for their return at the proposer's request and expense. The proposal opening time shall be strictly observed. Under no circumstance shall proposal delivered after the specified time be considered. Such bids will be returned unopened.

ARTICLE 5 CLARIFICATION & ADDENDA

Each proposer shall examine all invitation for proposal documents and shall judge all matters relating to the adequacy and accuracy of such documents. Any inquiries, suggestions, or requests concerning interpretation, clarification or additional information pertaining to the invitation to proposal shall be made through the City of Marietta, Purchasing Department. The City shall not be liable for oral interpretations given by any City employee, representative, or others. The issuance of a written addendum is the only official method whereby interpretation, clarification or additional information can be given.

If any addenda are issued to this invitation for proposal, the City shall attempt to notify all prospective proposers who have secured the same. However, it shall be the responsibility of each proposer to contact the City of Marietta, Purchasing Department at 770-794-5257 72 hours prior to proposal due date to determine if any addenda were issued and to make sure such addenda is a part of their proposal. EACH PROPOSER SHALL ACKNOWLEDGE ALL ADDENDA BY SIGNING A COPY ADDENDA RECEIVED AND ATTACHING WITH PROPOSAL.

ARTICLE 6 USE AND CLARIFICATION OF SPECIFICATIONS

If there are any discrepancies in, or omissions from, the Drawings or Specifications, or if the proposer is in doubt as to the true meaning of any part of the Contract Document, he shall request clarification from The Purchasing Department. Such request shall be in writing and shall be made not less than seventy-two (72) hours prior to the time scheduled for the termination of proposal. Interpretations in response to inquiries for any proposer, clarifications or corrections issued in the form of addenda shall be mailed to each proposer. If the proposer fails to request clarification regarding methods of performing work or the material required, his proposal shall be deemed to include the method requiring the greater quantity of work or material or upon the material of greatest cost indicated.

ARTICLE 7 BUSINESS LICENSE

The proposer shall provide appropriate proof of a current Business License.

ARTICLE 12 RESERVED RIGHTS

The City reserves the right to accept or reject any and or all proposals, to waive irregularities and technicalities, award the contract in the best interest of the City of Marietta or to request re-proposal. The City reserves the right to accept all or any part of the proposal and to increase or decrease quantities to meet additional or reduced requirements of the City

For each item or for all items combined, the proposal of the lowest, responsible and responsive proposer shall be accepted, unless all proposals are rejected. The lowest responsive proposer shall mean the proposer who makes the lowest proposal to sell goods and/or services of a quality which conforms closest to the quality of goods/and or services set forth in the attached specifications or otherwise required by the City, and conforms to all material aspects of the requirements set forth in the invitation for proposal. To be a responsible proposer, the proposer shall be fit and capable to perform the work as required, shall have the capability in all respects to perform fully the contract requirements, and shall have the tenacity, perseverance, experience, integrity, reliability, capacity, facilities, equipment, and credit which shall assure good faith performance. Also, the City reserves the right to make such investigations as it deems necessary to determine the ability of any proposer to deliver the goods or service requested.

Information the City deems necessary to make this determination shall be provided by the proposer. Such information may include, but shall not be limited to current financial statements; verification of availability of equipment and personnel; and past performance records.

ARTICLE 13 APPLICABLE LAWS

Proposers shall be authorized to transact business in the State of Georgia. All applicable laws and regulations of the State of Georgia and ordinances and regulations of the City of Marietta shall apply to any resulting agreement.

ARTICLE 14 CODE OF ETHICS

With respect to this proposal, if any proposer violates or is a part to a violation of the State of Georgia, Code of Ethics for Public Officers and Employees, such proposer may be disqualified from furnishing the goods or services for which the proposal is submitted and shall be further disqualified from submitting any future proposals for goods or services for the City of Marietta.

ARTICLE 15 COLLUSION

By offering a submission to this invitation for proposal, the proposer certifies that the proposer has not divulged to, discussed or compared his proposal with other proposers and has not colluded with any other proposer or parties to this proposal whatsoever. Also, proposer certifies, and in the case of a joint proposal each party thereto certifies as to his/her own organization, that in connection with this proposal:

- 15.1 Any prices and/or cost data submitted have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices and or cost data, with any other proposer or with any competitor;
- 15.2 Any prices and/or cost data quoted for this proposal have not been knowingly disclosed by the proposer and shall not knowingly be disclosed by the proposer prior to the scheduled opening directly or indirectly to any other PROPOSER or to any competitor;
- 15.3 No attempt has been made or shall be made by the PROPOSER to induce any other person or firm to submit a proposal for the purpose of restricting competition;
- 15.4 The only person or persons interested in this proposal, principal/principals is/are named therein and that no person other than therein mentioned has any interest in his proposal or in the contract to be entered into; and
- 15.5 No person or agency has employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or established commercial agencies maintained by the Purchaser for the purpose of doing business.

ARTICLE 16 CONTRACT FORMS

Any agreement, contract or Purchase Order resulting from the acceptance of a proposal shall be on forms provided by the City. Each proposer shall state in his proposal, in words and numerical, written in ink or typed, the price for which he shall perform the work or supply the items required by the specifications, plans and contract documents. Any erasures, delineations or alterations are to be clear and initialed by the person signing.

ARTICLE 17 NOTICE OF ACCEPTANCE

The contract shall be deemed as having been awarded when the formal notice of acceptance/contract is issued to the Contractor(s). After award and acceptance the successful Contractor(s) may be posted at the Marietta Purchasing website.

ARTICLE 18 PROPOSAL FORMS, VARIANCES, ALTERNATES

Proposals shall be submitted on attached City forms. **PROPOSERS SHALL SUBMIT PROPOSAL DOCUMENTS, ALL DOCUMENTS REQUIRING SIGNATURES AND ANY OTHER ATTACHMENTS (LICENSES, SPECIFICATIONS, ETC.) REQUIRED FOR THIS PROPOSAL BASED ON THE REQUIRED COPIES REQUESTED IN ARTICLE 8 WITH ORIGINAL SIGNATURES WHERE APPLICABLE.**

Alternate proposals may or may not be considered at the sole discretion of the City.

ARTICLE 19 DISCOUNTS

Any and all discounts shall be incorporated as a reduction in the proposal price and not shown separately. The price as shown on the proposal shall be the price used in determining awards.

ARTICLE 20 DESCRIPTIVE INFORMATION

Unless otherwise specifically provided in the specifications, reference to any equipment, material, article or patented process, by trade name, make or catalogue number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition. If the proposer wishes to make substitution to the specifications, proposer shall furnish to the City the name of the manufacturer, the model number, and other identifying data and information necessary to aid the City in evaluating the substitution, and such substitution shall be subject to City approval. Substitutions shall be approved only if determined by the City to be equivalent to the specifications. A proposal containing a substitution is not accepted until such time as it is approved by the City.

ARTICLE 21 TAXES

The City of Marietta is exempt from Federal Excise and State Sale Taxes; therefore the proposer is prohibited from delineating a separate line item in his proposal for any sales or service taxes. The City of Marietta does not intend to imply that a proposer has no independent tax liability.

ARTICLE 22 USE OF TRADE NAMES

Brand or trade names referenced in specifications are for comparison purposes only. Proposers may submit proposals on items manufactured by other than the manufacturer specified. In these instances, proposals shall be accompanied with all descriptive information necessary for a thorough evaluation of the proposed materials, equipment such as detailed drawings and specifications, certified operation and test data, and experience records, as well as an itemized list of any variance from, or exception taken to the specifications.

Failure of any proposer to furnish this data shall be cause for rejection of specified item(s) to which it pertains.

ARTICLE 23 REGULATIONS, CODES AND STANDARDS

It shall be the responsibility of each supplier to assure compliance with any and all Codes & Standards including but not limited to OSHA, EPA LIFESAFETY, ANSI ASTM, UA and/or other Federal or State of Georgia rules, regulations or other requirements, as each may apply.

ARTICLE 24 AUTHORIZED PRODUCTION REPRESENTATION

The successful proposer(s) by virtue of submitting the name and specifications of a manufacturer's product shall be required to furnish the named manufacturer's product. By virtue of submission of the stated documents it shall be presumed by the City that the proposer(s) is/are legally authorized to submit, and the successful proposer(s) shall be legally bound to perform according to the documents.

SPECIFICATIONS AND REQUIREMENTS

NATURAL GAS AND PROPANE ALTERNATIVE FLEET FUEL SYSTEM RFP-13-033572

City of Marietta, hereinafter referred to as the “City” is soliciting formal bid proposals from qualified vendors, hereinafter referred to as “Proposer”, for an alternative fleet fuel system. The City currently has 121 diesel/biodiesel, 256 gasoline, and 8 natural gas motorized vehicles and equipment as shown on the attached table. The City currently has one primary fueling site and six satellite fueling sites; a fueling facility summary is attached. The annual average fuel used by City vehicles and equipment for the last 3 years is 151,900 gallons diesel/biodiesel, 250,700 gallons gasoline, and 9,300 gallons natural gas.

The City is interested in propane and natural gas options. If facility is constructed on city property, the facility will not be open to the general public but may be made available to other governmental agencies under separate contract by City and/or Proposer. The Proposer is encouraged to provide availability of grants for the implementation of the project.

Scope of Proposal

Proposer is expected to provide the following:

- Evaluate existing fleet and identify which vehicles are economically beneficial to convert to alternative fuel based on initial cost, annual savings, and return on investment.
- Convert portions of existing fleet to use natural gas or propane fuel in a cost effective manner. Proposer may provide a recommended plan and budget for conversion by another entity(ies).
- Construct and/or provide a central alternative fueling facility that can be readily accessed and used by City vehicles every calendar day.
- Proposer may include an option and fee schedule to provide alternative fuel used in proposal.
- Demonstrate value of proposal to the city, specifically the proposed budgetary savings.
- Optional - provide an option(s) to provide alternative fueling at satellite fueling locations.
- Provide a draft set of specifications for equipment in proposal.
- Provide a draft contract for services, fuel, and / or equipment to facilitate the proposal.
- Engine preparation and equipment must be OEM approved.
- Identify if the manifold is prepped or drilled for conversion.
- Identify if there any cuts or spliced wires required for conversion installation.
- Identify how the control system works with gas systems.
- Identify how the product performs in towing operations and on steep grades for equipment used in those purposes.
- Identify the product performs in hot and cold climates, including any associated special operation or maintenance requirements.
- Identify Tank Types, including warranty, required inspection interval, life expectancy, and replacement cost if life expectancy is less than the vehicle life expectancy.

Proposal Evaluation Criteria

Proposals will be evaluated on the following criteria:
